## **TRAINING MODE:**

### **1. Live Online/Virtual – Microsoft Teams/Zoom**

Our live online training courses provide a dynamic and interactive learning experience, led by CQSSL Certified Trainers in a virtual classroom environment. Through advanced tools for remote teaching, we bring accessible learning to the comfort of your own space, as well as catering for those limited to travel.

### **2. Onsite – Physical**

Our classroom-based physical training options are also available and are conducted onsite at clients' preferred venues by CQSSL Certified Trainers.

### **3. One on One Training mode**

This mode offers a highly personalized learning experience. Our skilled trainer tailors the entire session to address an individual's specific needs, goals, and learning style.

**Discounts are available for Early Booking and / or Bulk Booking.**

**“Unlock business excellence through expert training and seamless ISO compliance, fostering sustainable development goals for a more inclusive and responsible future**
